

Climate Protection Certificate 2018

Manuli Stretch Deutschland GmbH

makes a significant contribution to the climate protection through the participation in ERDE and the successful collection and recycling of silage films in 2018.

By consigning this material to recycling **19.483.000 kg greenhouse gas** was reduced in absolute terms.

This corresponds to the CO₂ emissions which **1.404.175 trees** in Europe bind every year.

On behalf of the climate and the environment we say

„Thank you“.
